OZ MILE SWIM

Why us...

Team building... Age group teams, Tri-teams, Masters teams, and family teams all coming together with a common goal of having fun, achieving physical challenges, all around swimming 1 mile.

Inclusion... Our PARA Wave gives athletes the ability to participate in a mainstream event with the assistance they need.

Family bonding... Multi-generational experiences. Grandfather, daughter, son-in-law, and grand-daughters ALL able to participate in the same amazing festival weekend.

Training, planning, commitment... Max Spory attended our 2022 event. He wanted to win in 2023 and trained all year with the goal to do so, and DID!
